

# 9 DORM ROOM ORGANIZATION TIPS

Every College Student Needs to Know

MAKE THE MOST OF YOUR SMALL SPACE WITH THESE LIFE HACKS

## 1. CHORE CHART

Living with roommates? Divvy up the cleaning responsibilities so one person doesn't get stuck with the lion's share of the work.

## 2. STAY CONNECTED WITH YOUR ROOMMATES

Have a common area? Create and hang a board that details everyone's schedules and calendars. Include a scratchpad for shopping lists and quick notes.

## 3. KEEP THE KITCHEN TIDY

If you are lucky enough to have a kitchen, it's probably a teeny tiny one. Hang file dividers sideways on the inside of your kitchen cabinets for neat pan storage.

## 4. AVOID BATHROOM CHAOS

Keep everything in its place by maximizing your space. Use drawers and stacking baskets under the sink to organize and store all your toiletries.

## 5. ROLL IT UP

You may be used to folding your clothes, but did you know rolling them instead saves a ton of space?

## 6. NO MORE SINGLE SHIRT HANGERS

Why would you hang a single shirt on a hanger when you can hang five? This one is a space-saving no-brainer.

## 7. STAY WRINKLE FREE

Jamming all your clothes into small spaces, something is bound to get wrinkled. But ironing boards are so big. Here's an idea: turn a TV folding table into a mini ironing board!

## 8. DON'T SWEAT THE SMALL STUFF

Keys, chargers, ID cards...these things can get misplaced pretty easily. Use a silverware tray - meant for the kitchen - and use it to keep all your everyday essentials in their place.

## 9. GO BIG OR GO HOME

Don't be afraid to go vertical. Stack a shelf on top of your desk for even more room for books, papers, knick knacks and photos.
